

## Round Acoustic Fabric Wrapped Panel

QDBOSS Round Acoustic Fabric Wrapped Panel uses high quality fiberglass board with different flame retardant fabric. This type of acoustic panel is environmental friendly, widely used, sound absorption, well decorative, easy installation, no dust pollution etc.

### China Low Price Round Acoustic Fabric Wrapped Panel Factory

Gaining purchaser fulfillment is our company's purpose without end. We will make terrific initiatives to acquire new and top-quality solutions, meet up with your exclusive specifications and provide you with pre-sale, on-sale and after-sale providers for Online Exporter China Round Acoustic Fabric Wrapped Panel 40 Colors Available, In our initiatives, we already have numerous shops in China and our goods have won praise from shoppers globally. Welcome new and aged consumers to get hold of us with the potential long-lasting business associations. Online Exporter China Acoustic Panel, Acoustic Board, Furthermore, all of our solutions are manufactured with advanced equipment and strict QC procedures in order to ensure high quality. If you are interested in any of our products and solutions, you should don't hesitate to contact us. We will do our best to meet your needs.

#### 1.Introduction of Round Acoustic Fabric Wrapped Panel

QDBOSS Fabric wrapped acoustic panel uses high quality fiberglass board with different flame retardant fabric. This type of acoustic panel is environmental friendly, widely used, sound absorption, well decorative, easy installation, no dust pollution etc. The fiberglass board is much more eco-friendly than rockwool board, less pollution in production process. The Round Acoustic Fabric Wrapped Panel is designed to absorb harsh, distracting noises like echo and reverb to help the right sound through and resonate with audiences. Hardened edges for the acoustic panel can help increase durability in Cinema, Multi-purpose Rooms, Meeting room, KTV, Hotel, Music Rooms, Auditoriums and Theaters.
